

BMA PABNA

BUILDING COMPETENCE THROUGH EDUCATION & TRAINING

Mission

Provide International Standard Marine & Maritime Education, Training & Resource Centre for the World Maritime Industries.

Vision

Bangladesh Marine Academy, Pabna will be a leading world-class Maritime Educational and Training Institute recognized for excellence in Maritime Studies.

Quality Policy

Continual improvement of the course curriculum in line with stakeholder development of all faculty and staff by encouraging them to pursue higher studies and research and providing opportunities to participate in training courses, seminars, conferences etc;

Building positive attitudes and harmony amongst the faculty staff and cadets so that knowledge is shared freely and without prejudice;

Efficient utilization of limited resources and wellbeing of the people;

Maintaining integrity strategy in order to build confidence & healthy relationship with all stakeholders and with the society;

Prevention of injury, illness, loss of life, loss of property and environmental damage;
